Use this page to show images of what your re-designed room will look like – include photographs, sketches, colour swatches, fabric samples and any other sources of inspiration.
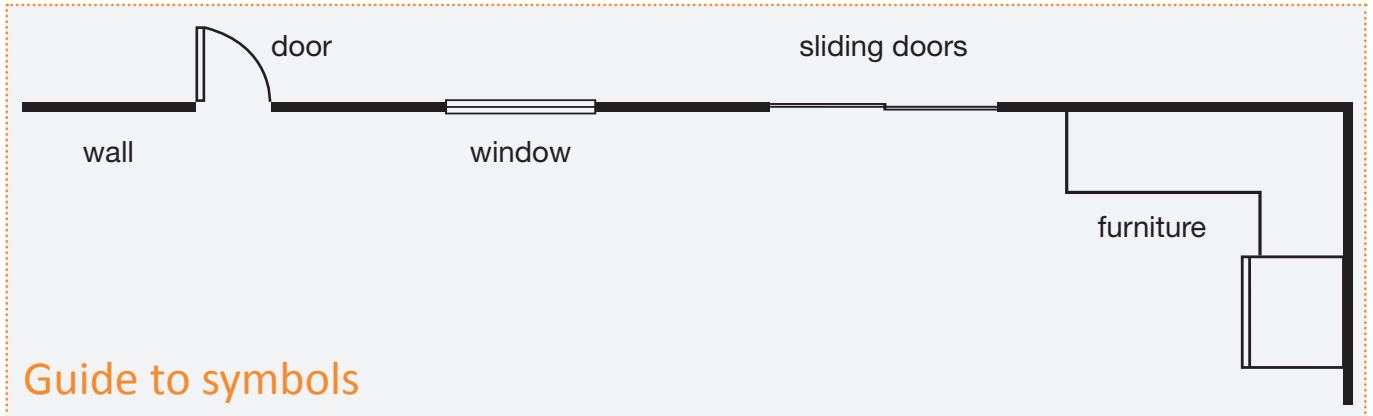

Floor plan

Measure the room and use the A3 grid to draw a scaled floor plan of your re-designed room.

Show the main features, such as doors and windows, and mark on where you will put any furniture.

Don't forget to include the scale on your floor plan

Scale   *1:10*

Use your floor plan to work out...

The **area of floor covering** (e.g. carpet, tiles, laminate) required for the room:

The **total length of skirting board** required for the room:

Find out the price per metre for three floor covering options that you could use.

Work out **how much it would cost you** to use each option in your chosen room:
