

Year 7 overview

Autumn term

Topic : classroom objects

Dear all,

We are going to learn and practice 6 keywords for classroom objects, plus another 6 words. We will be asking someone what they have in their pencil case and tell someone what we have in our pencil case. We will be learning numbers 1-10 and 6 colours. We will be using this knowledge to respond and describe further classroom objects.

Year 8 overview

Autumn term

Topic : body parts.

Dear all,

We are going to learn and practice 11 parts of the body this term. We will then describe monsters, using numbers 1-20 and create and label them. Finally, we will use our knowledge of body parts to say where something hurts.

Year 9 overview

Autumn term

Topic : In town

Dear all,

We are going to learn and practice 7 rooms in the house, saying where we live and asking someone where they live. We will learn and practice 8 places in town, asking and answering where one is going and what day. We will learn and practice numbers 1-60 to recognise addresses. We will learn directions to recognise and say where something is.
