

YEAR 11 LAND BASED STUDIES

This term they will continue working on the Myself in the Community Unit. They will be visiting various facilities/services within a community and then describing what they have seen and used. They will also learn about how to use maps and plot facilities/services on them.

Task to complete	Tick when completed
Find a map or use google maps to locate your own community and then find 5 facilities/services e.g. Bank. List which ones you found.	
Visit a facility/service in you community and write up what its was, what they did, how long it took to get there and any other useful information.	
Describe what the following services/facilities are for:- Dentist, Bank, Hospital, Cinema and Post office.	

Extension Activity

Describe 5 services/facilities of your choice.

Look at a map and see if you can find the following places:- Portsmouth and Southsea train station, Buckingham Palace, Big Ben, Edinburgh Castle, Cardiff Castle, Lands End and Isle of Wight.
