## **Sexual Relationships**

## Safe Sex

What happens when a man and a woman have sexual intercourse?
What may happen after a man and woman make love?
what may happen after a man and woman make love:
What is 'safe sex' and where do we go to ask for help about sex?
what is sale sex and where do we go to ask for help about sex!

Name.....

Date.....

If you were being pressured into doing something you wouldn't do, what could you say? Try not to offend or upset the person trying to put pressure on you, but be firm and confident!

Pressure Lines	5
----------------	---

You would, if you loved me.
Response
All our friends are doing it!
Response
If you don't, I'll find someone else who will
Response
Are you too scared?
Response
So are you just teasing me? You told me you would last week!
Response
You did it with him/her, why not me?
Response
