

# Daniel was friends with the King

Some men decided to  
get him in trouble

They said that people  
couldn't pray to God  
and it was made law

Daniel prayed to God  
anyway

The men told the King  
Daniel had been  
praying

The King had to send  
him to the lions

Daniel spent the night  
with the lions praying

God closed the lions'  
mouths and they  
protected Daniel.

Daniel was okay

King Darius was happy  
and believed in God
