

Year 7 Overview

Topic: Iron Man

Dear all,

We are going to be reading and studying: The Iron Man by Ted Hughes

Overview of Subject covered this term.

This term the Year 7 classes will be reading and studying a text: The Iron Man by Ted Hughes . Two of their weekly English sessions will be based around this topic. The other two sessions will be allocated for Speech and Language and literacy based skills required in other subject areas.

There are some resources available here on the school website to get started with.

Remember these activities are guides and do not have to be completed. Equally, if there are other activities that pupils complete please send them in too.

Any work completed on this topic can be sent to:

hcorreia@st-ants.org

Other ideas for English:

- Read/be read to or share a story. Talk about the story afterwards. (If you are a member of WSCC library service they have set up Ebooks and audio books which can be borrowed.)
- There is a separate folder under English called First News. The digital newspaper can be found there. We sometimes look at the newspapers in class and choose a story to talk about. The new newspaper is updated weekly.

Links to help

Go onto Digby Mole on the BBC- a great rhyming resource:

<http://www.bbc.co.uk/schools/laac/words/dgi.shtml>

The BBC website has lots of great links for literacy activities. Try 'Spelling with the Spellits':
