

# Right and Wrong

We have been learning about right and wrong actions and about making the right choices. We have also been thinking about what is or isn't appropriate behaviour in the classroom.

Can you stick the pictures in the Right column if you think they are positive behaviours that we would want to see and stick them in the Wrong column if you think they are negative behaviours that we wouldn't want in our classroom.

RIGHT	WRONG

# Right and Wrong

Cut out these images and stick them on the correct column.
