

Safety Card: Houseparty

Houseparty is a face-to-face video messaging app that lets you instantly connect with friends and family across the world. The app is simple, effective and easy to use, alerting you via push notification that your friends have logged on and are “in the house”.

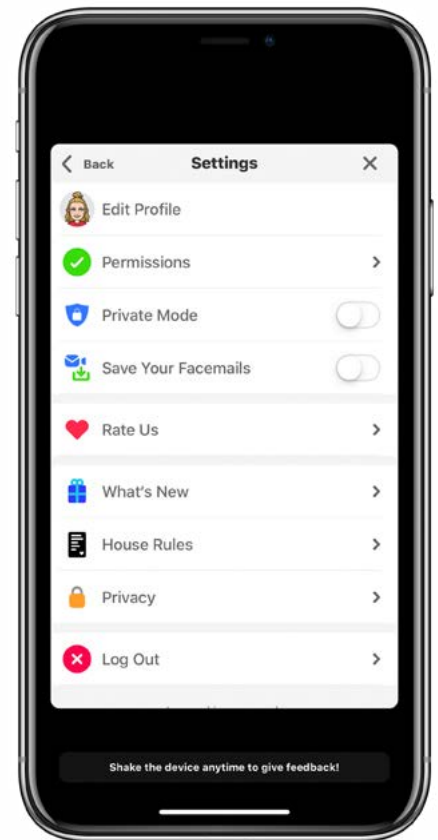

Stay safe on Houseparty using the instructions on **Privacy, Blocking & Reporting** below:

Privacy

Set your account to private using these simple instructions:

- From the main home screen tap on 
- Scroll to **Private Mode** and swipe the tab to the right.
- Select **Enable Private Mode**.

Block

Block a user using these simple instructions:

- Tap on the user's name and then tap on 
- Tap on **Block**.
- Tap on **Block** again.

Report

Report a user using these simple instructions:

- Tap on the user's name and then tap on 
- Tap on **Report**.
- Tap on **Yes**.
- Follow the instructions and submit.
