## Communication Snack Time

We hope to resume 'Communication Snack Time' as part of our school day, to increase the children's speech and language skills and to encourage eating different foods e.g. fruit and vegetables. The children ask each other what they would like to eat and then request an item e.g. a piece of apple. Questions and tasks are built in accordingly, such as an exchange of plastic money.

We would be extremely grateful for donations of £3.50 per half term or weekly contributions of different fruits e.g. apples, oranges, plums, strawberries, vegetables (which can be eaten raw e.g. carrots / cucumber), canned fruit in natural juices, dried fruit or bread sticks and biscuits.

The Government have given us guidelines of what we can eat and drink in school. The children are always offered water to drink.

## Summer Holiday

As a communication tool during the first week back it would be lovely for your child to share their experiences over the summer holidays.

The following is a list of things you might include:

- A brochure from a visit
- A shell picked up from the beach
- A postcard
- A photo of an activity
- A picture painted/coloured on a play scheme
- A picture drawn at home about a favourite experience
