

Welcome to St Anthony`s School Year 7.

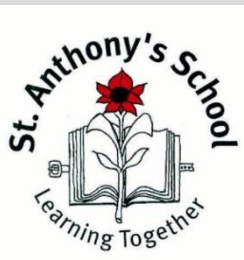

This is the main office of the school .

This is the outside gym area which is lots of fun !

This is the main playground . You can sit down and talk to staff or play together with your new friends.

We can play ball games here which is lots of fun.

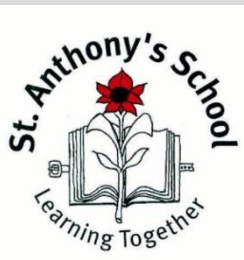

The field is good to run around on in the summer .This is a good area to practice your balancing.

This corridor leads to the Primary area, the dinner hall and outdoors.

Here is our school library . We have lots of books for you to look at and take home to share.

We are so lucky at our school to have a fantastic pool.

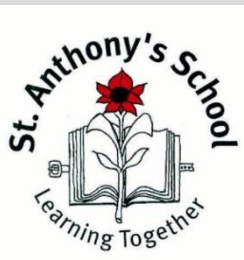

The sports hall has a really high climbing wall .Pupils can use this with supervision in their P.E lessons sometimes.

Here is the lunch hall. We have all our school lunches freshly made and cooked here.

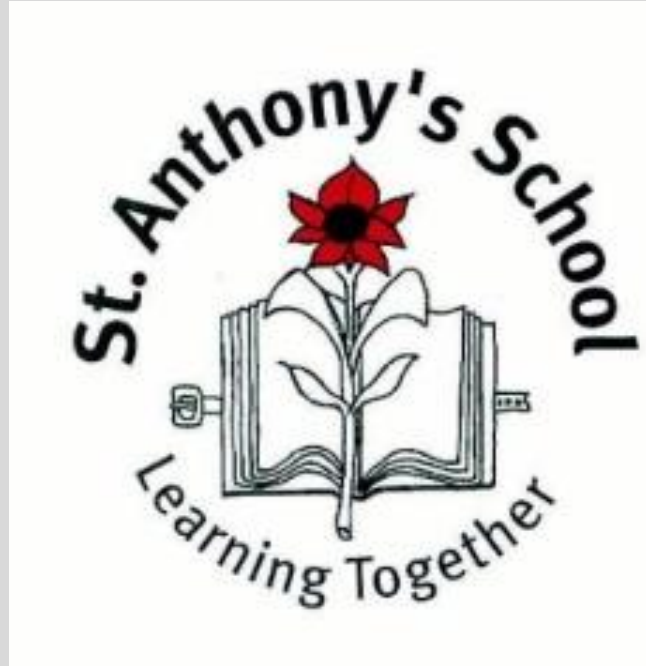

In Year 7 you will be doing some experiments in the Science Lab.

In Year 7 you start to make lots of delicious recipes using the Food Technology room. At the end of the school day you can take it home to share.

Bella our school well-being dog comes to school on Mondays, Wednesdays and Fridays. She belongs to Mrs Spalding - Assistant Headteacher and is based in her office.

We look forward to welcoming you at our school.
