Learning Together

St. Anthony's is an outstanding special school that caters for pupils aged 5-16 years with complex learning needs. The school is highly regarded in the community. Currently the school is one of the lead schools in 'Novio' which is part of the West Sussex SEN hub initiative supporting pupils with SEND in mainstream education. The school is committed to safeguarding the welfare and safety of its pupils and expects all staff to share in this commitment.

Required - ASAP

1 X Special School Assistant – Science Department – 30 hours per week (Permanent)

The individual appointed would have the desire and aptitude to work within our Secondary Science Department. A Special School Assistant would take a lead in supporting Science as a technician (training to be given) as well supporting the teaching and delivery of the curriculum to pupils within this department.

A keen interest in Science is essential

SSA's are often qualified to degree level or NVQ3 and will have the capacity to use initiative and work flexibly, with a minimum of supervision.

When submitting a letter of application, applicants should outline what knowledge, understanding and experience they have of Science, working with pupils and needs and be prepared to discuss this in detail, if called for interview.
