

Uniform

Pupils are encouraged to take pride in their appearance and to come to school ready for learning and taking part in the school day.

We are very aware that the cost of purchasing school uniform can be significant. Therefore families have the option either to purchase uniform with the school logo or to purchase plain unbranded clothes in the agreed colours.

Uniform is available to purchase via Parentmail and can be collected from the office in school. The school also has a small amount of second hand uniform available for purchase. Please, in this case contact the office directly.

Any items without a logo can be purchased from wherever you choose. We prefer clothing to be plain and free from any markings other than the school logo.

We recognise that some pupils may also find some of the clothing uncomfortable or need to wear alternatives (in the same colours) for medical reasons. Should this be the case, please contact your child's teacher in the first instance to discuss.

All items of clothing and shoes should be clearly named.
