2023-2024

Pre Entry 2 Learning objectives

Explore and discover music through solo performances.

ASDAN Transition Challenge

Section 10: Expressive Arts

- Feeling Good – Take part in a performance. Learn a new piece of music.
- Taking the Lead – Take part an Arts activity which is new to you (*Solo performance*)
- Knowing How - Produce a piece for work for display. *Britpop Montage and/or collage in the style of the St. Pepper's Lonely Heart Club Band.*

Pre Entry 2 Learning objectives

Explore and discover music through solo performances.

ASDAN Transition Challenge

Section 10: Expressive Arts

- Feeling Good – Take part in a performance. Learn a new piece of music.
- Taking the Lead – Take part an Arts activity which is new to you (*Ensemble Performance*)

Pre Entry 2 Learning objectives

Discuss music listened to, describing how it makes them feel and naming some of the instruments. Respond to music through dance, art of movement.

ASDAN Transition Challenge

Section 10: Expressive Arts

- Making Choices - Look at different types of art and media and choose which you like most. *Listen to different pieces of music and make choices.*
- Moving Forward– MFL – share in a cultural experience for a foreign county
Other – Singing/making music/listening to World Music.

Duke of Edinburgh

DUKE OF EDINBURGH AWARD: Bronze.

Focus: Physical/Skills/Volunteering

Learning Objectives:

Physical

To inspire young people to achieve greater physical fitness and a healthy lifestyle through participation and improvement in physical activity.

Enjoy keeping fit. Improve fitness. Discover new abilities.

Raise self-esteem. Extend personal goals. Set and respond to a challenge. Experience a sense of achievement.

This section will be completed using canoe sessions at Chichester Canal and canal basin. Using the climbing wall at St Anthony's and also by taking part in guided mountain biking.

Skills

To inspire young people to develop practical and social skills and personal interests. Develop a new talent. Improve self-esteem and confidence. Develop practical and social skills.

Develop better organisational and time management skills.

Sharpen research skills. Learn how to set and rise to a challenge

This section will be completed as part of the Pathways curriculum and pupils will use evidence from Food Technology, Land Based Studies or Art, depending on pathway choices. In the past pupils have used skills to plan, produce and cook a series of healthy meal options using recipes and also prepared seed beds and grown/harvested various vegetables.

Volunteering

To inspire young people to make a difference within their communities or to an individual's life and develop compassion by giving service to others.

Learn about their community and feel a sense of belonging and purpose. Learn to take responsibility for their communities and their own actions. Build new relationships.

Further understand their own strengths and weaknesses.

Develop teamwork and leaderships skills. Trust others and be trusted. Enjoy new adventures

This section will see pupils working within the local community. The school has worked with the National Trusty on Lavington Common in the past and have worked to help support local Charities like Sussex Orchards in Fontwell. In addition pupils have completed litter picks at various points in the local area.

		sustainable in the future	<ul style="list-style-type: none"> Learn lessons from the past. 			
Land Based Studies	<p><u>Introduction to Plant Care (WJEC Entry 2/3 Criteria)</u></p> <p>The aim of this course is to enable learners to gain basic skills and understanding in the care of plants.</p> <ul style="list-style-type: none"> State the requirements of plants to maintain healthy growth Select appropriate tools and prepare a seed bed Select appropriate sowing techniques to sow two different types of seed Use appropriate techniques to care for seedling's Care for a plant to maintain healthy growth Control a common weed or pest Harvest a food or flower crop from seed or from cuttings 					
	Autumn		Spring		Summer	
	Garden Maintenance and safety in the garden		Propagating plants and seeds		Maintaining healthy growth and harvesting crops	
Forest School 	<p><u>Introduction to Forest School</u></p> <p>The aim of this course: Forest School is a unique educational experience and process that offers pupils the opportunity to succeed and develop confidence, self-esteem and resilience through hands-on learning experiences in a woodland environment. Forest School embraces holistic learning through play and exploration; students learn about the natural environment, how to handle risks and to use their own initiative to create, solve problems and cooperate with others. In Forest School the emphasis is on pupil led learning. Forest school is a long-term process across all the seasons, it takes place in a natural environment and is led by qualified Forest School Leaders who continuously maintain and develop their professional practice.</p>
