

Welcome to St. Anthony's School Primary Department

How will I get to school?

Some children will come to school in a minibus or taxi and some will be dropped off in front of school by their grown-ups.

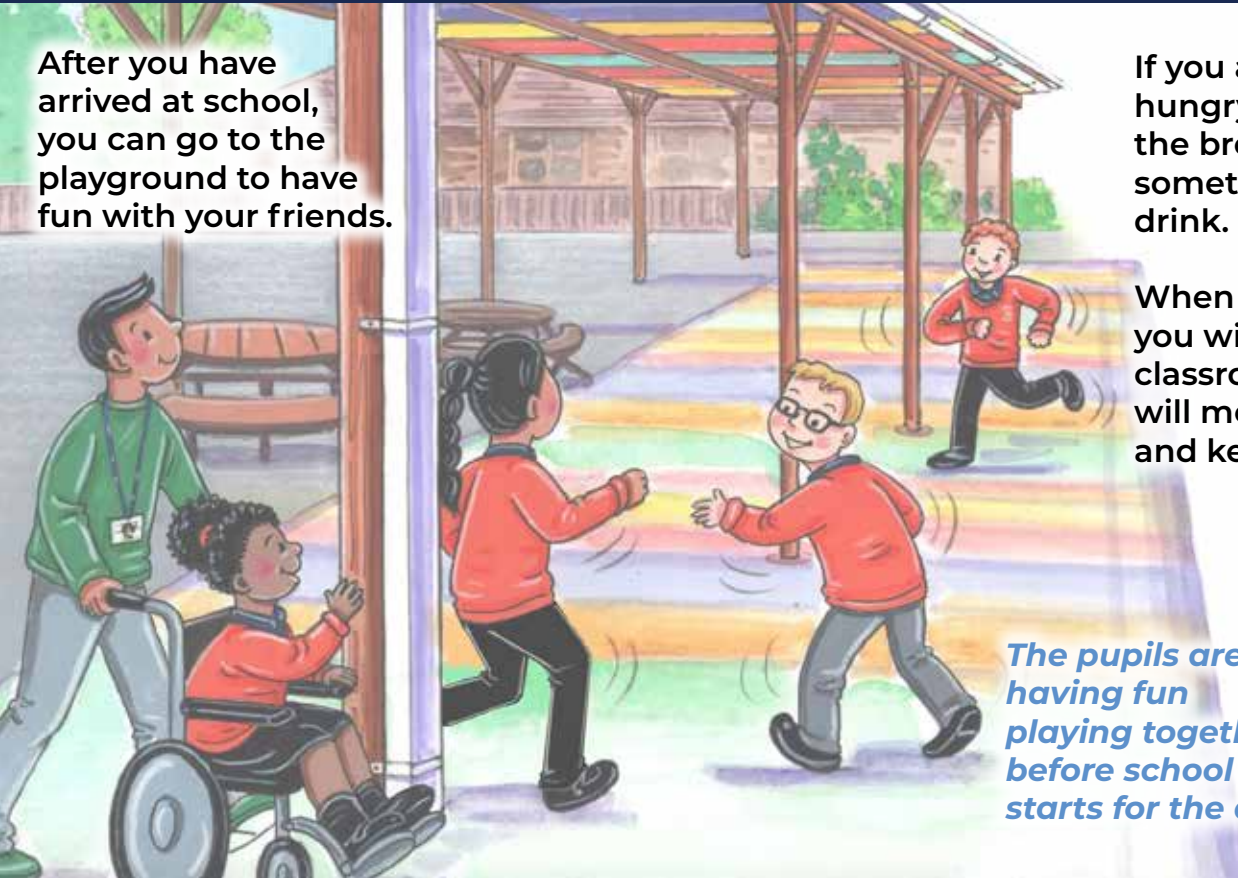

You will be met by a familiar adult at the school entrance. We also have a school dog. Sometimes, it will be at the entrance to meet you when you arrive at school.

The children are very happy to meet the school dog.

What happens at the start of the day?

After you have arrived at school, you can go to the playground to have fun with your friends.

If you are feeling hungry, you can join the breakfast club for something to eat and drink.

When the bell rings, you will go to your classroom, where you will meet your teacher and key workers.

The pupils are having fun playing together before school starts for the day.

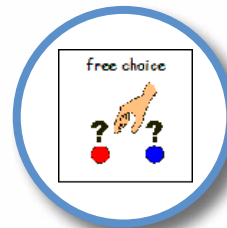

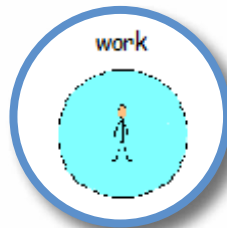

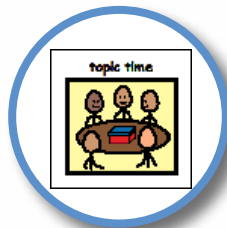

What do you like to play with in playgrounds?

What will I do in school?

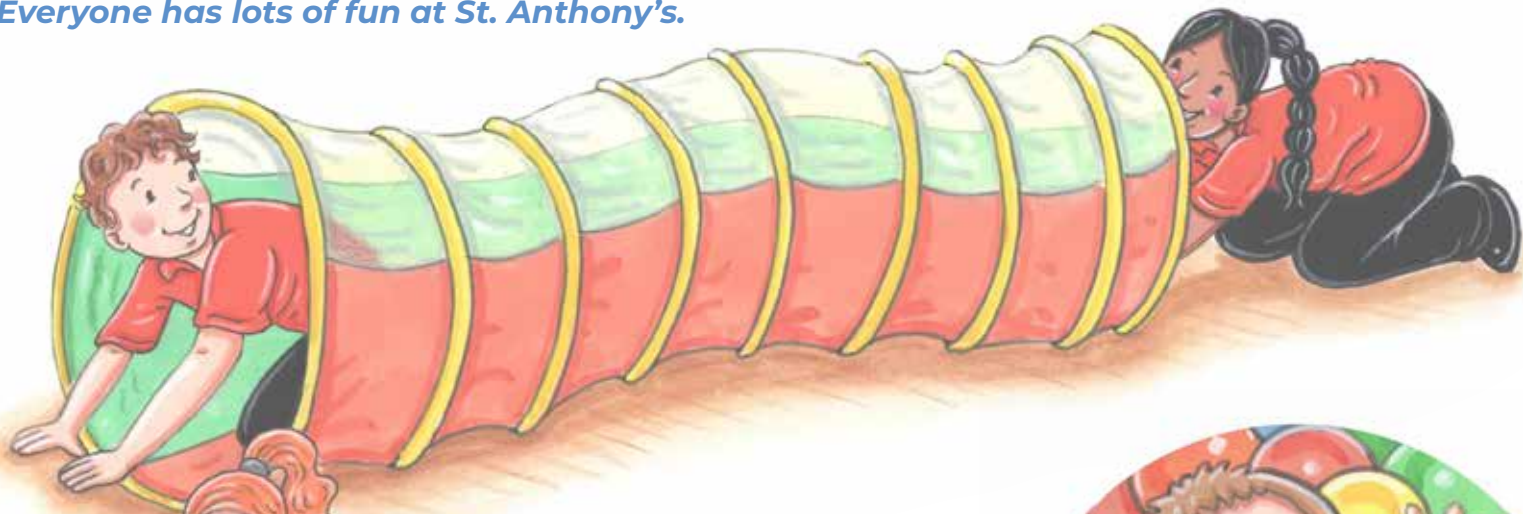

You will have lessons that suit your needs and interests. You will be in a small class, so the teachers and key workers will be able to give you all the attention you need.

You will learn during group time and work time. You can choose what activities you do during **Free Choice time**, and learn while you play. You can do activities by yourself or with your friends.

Everyone has lots of fun at St. Anthony's.

We have lots of fun activities for you to enjoy, such as:

- **Swimming**
- **Learning in the ball pool**
- **Visiting Forest School**
- **Horse riding**
- **Sensory play**

What would you like to do in school?

What extra help will I get?

We want you to feel happy and safe at St. Anthony's so we give you lots of support.

You will get lots of help from friendly adults in school and others who come into school. They can help with your speech and language, provide physical therapy and help you with any worries or problems you are having.

There are lots of kind adults to help you at St. Anthony's.
