

# Welcome to St. Anthony's School Secondary Department

# How will I get to school?

Some of you will arrive in a school minibus or a taxi, or you will be dropped off in front of school by your grown-up.

At the school entrance, you will be met by a familiar adult who will take you into school. Everyone will be pleased to meet you.

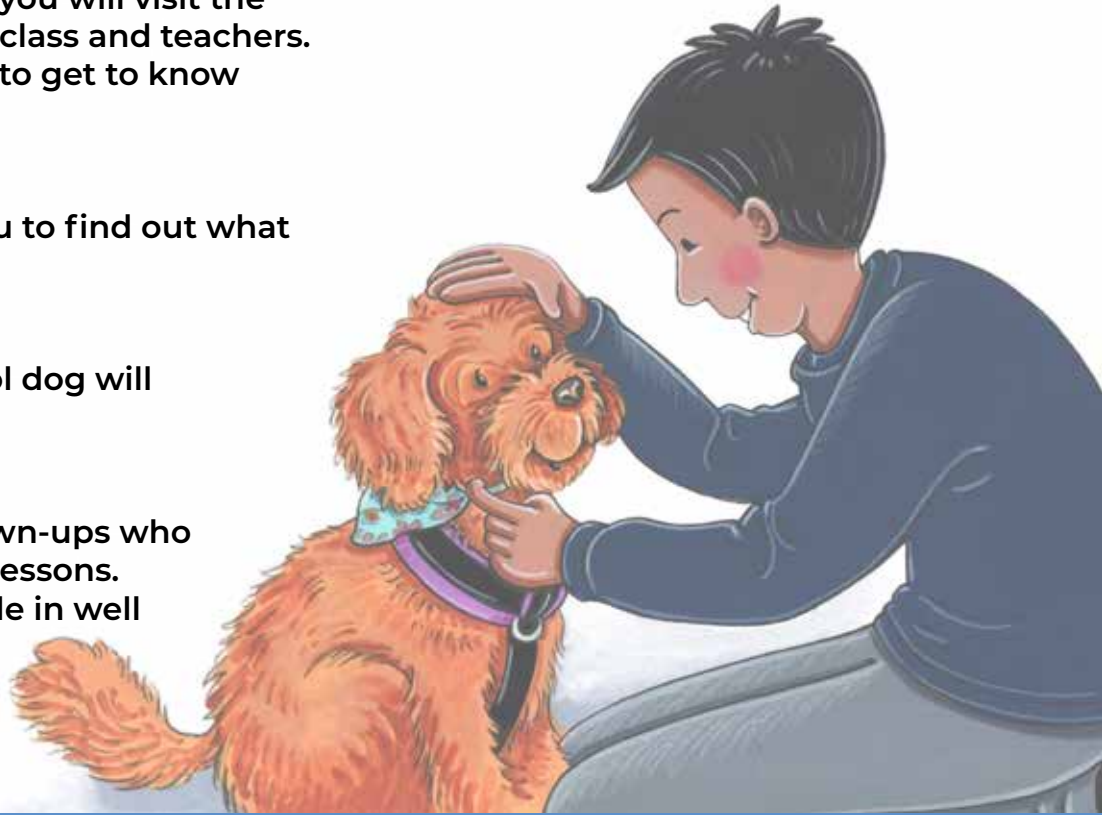

# How will you help me settle in?

Before you join our school, you will visit the school and meet your new class and teachers. This will give you a chance to get to know everyone.

The teachers will talk to you to find out what you like and don't like.

When you arrive, our school dog will be waiting to meet you.

In school, there will be grown-ups who will be with you in all your lessons. We will make sure you settle in well and are happy.

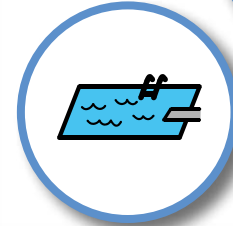

Are you looking forward to meeting our school dog?
