Join our team

We are seeking a committed, and highly effective teacher with the passion and skills to support pupils with Special Educational Needs and Disabilities (SEND). This position is ideal for experienced teachers of Food Technology from both mainstream backgrounds and those with SEND experience.

In this role you will:

- Plan and deliver learning across our secondary department in Food Technology and possibly some teaching in another curriculum area.
- Work collaboratively with a dedicated team of staff to meet the needs of pupils with complex needs

We are looking for teacher who:

- Has a strong understanding of the planning and delivery of Food Technology and experience working with pupils with Special Educational needs either in a mainstream or specialist setting.
- Is passionate about delivering personalised learning experiences within their teaching
- Demonstrates excellent organisational and interpersonal skills
- Shares our commitment to achieving excellence and delivering our vision of being an outstanding school
- Is adaptable, reflective, and eager to learn
- Brings energy, enthusiasm, and self-motivation to their role

We can offer you:

- A supportive team with a passion for continuous improvement
- A commitment to professional development
- A collaborative working environment

When submitting a letter of application, please provide details of previous experience and indicate why you would be interested in teaching at St. Anthony's School. Only shortlisted candidates will be contacted.
