For St Anthony's School

Do you want to help us make a difference in Send Education at St Anthony's School?

We are looking for individuals to join our friendly and dedicated governing board.

St Anthony's is an outstanding special school that caters for pupils aged 5-16 years with complex learning needs. The school is highly regarded in the community.

Whether you are a parent, local business leader, educator, or community member, this is your opportunity to have a positive impact as part of our school community.

You will play a vital role in shaping the strategic direction of the school, ensuring the best support and outcomes for our pupils.

If you are a passionate, open-minded, enthusiastic individual who would like to make a difference and be part of the future of our young people, we would love to hear from you.
